APRIL RALLY RESULTS

Denver, we missed you at the rally. It would have been a good opportunity to practice this year. Sure hope to see you on May 20.

It started wet and cool and ended dry and windy but was a fun one. Thanks especially to the out-of-staters who enables full points for the rally. Here're the rankings. Congratulations to all.

REGIONAL RALLY RESULTS

CONGRATULATIONS to our own racers who attend out of state rallies in the hunt for enough points to take them to Akron in July.

- Allison Pankoff is a definite for the international race in the Masters Division. She just took two 1st place finishes in Kansas City. Our May race may provide her with her 20th win of the season. At the end of the May rally, she will have at least 201 points. Great Commitment, Allison.
- Cayden Comstock's last rally in Ogallala produced 1st and 4th place finishes in the Stock Division. Great job. Now we hope he can do well in the May rally race to give him enough points to take him to Akron.
- Brody Hawes is the latest to get the rally bug. In the same Ogallala weekend, he took a 5th in a Stock Division race. He's a little further back in points but the way he's racing, look out all. Way to go, Brody.

Championship Registrations Needed by May 31 !

Please register for races now. The information and money are needed in advance to prepare for the races. Print out or go online to complete the forms and return to 3900 Norwood Drive Littleton, CO 80125.

Club Car Applications

We have club cars available to new drivers or current drivers who need a car. These cars are sponsored by Sertoma clubs within the Mile Hi area. The Sertoma clubs reach out to those in our community to assist and support them. We hope that drivers of club cars would be involved with their sponsoring club, sharing their experience with them.

If you need a car or know someone who is not currently involved in the soap box derby because they don't have a car, contact us. We have an application form for club car usage. We hope this year to have no cars nor willing drivers sitting idle. We are hoping that we can start filling up available cars in preparation for the first clinic on April 1. We will continue to fill the spots until there are no more available. Please let others know!

See the SMHSDD Club Car Application form at <http://www.soapboxderby.org/sertoma-mile-high/race-programs/mile-high-race-info.aspx>

Volunteers on Race Days NEEDED

We need volunteers to help during the rally and the championship in June. This includes

- Drivers for return vehicles for both weekends of races,
- Inspection volunteers for the June championship race.
- Track setup and tear down assistance,
- June 25th Track pack up and Move back to Fix Auto (fresh individuals who may not have spent a grueling weekend working at the track. The current idea is to meet at 2:00 pm. This is a very critical part of what we do and we would appreciate setting this up far in advance to develop a plan for the move)

Grab a canopy, some folks from your club and share your involvement with everyone.

See the Volunteer Information Sheet for more information at <http://www.soapboxderby.org/sertoma-mile-high/getting-started/volunteer.aspx>

Please contact Buzz Pankoff or complete the form at SMHSBD.com.
