

CLUB CAR USE APPLICATION FORM

The Sertoma Mile High Soap Box Derby is a sanctioned race program of the All American Soap Box Derby.

Boys and girls, ages 7 to 20, **will assemble their kit racers under adult supervision** and prepare to race in this spectacular local championship and two rally race weekends during the season. The winners of the SERTOMA Mile High Soap Box Derby Local Championship race will have the privilege of representing their sponsoring organization and the Denver Metro area during the week long festivities of the All-American Soap Box Derby race in July in Akron, Ohio and will be given a stipend to support trip costs.

In addition to the local race, at least two rally races will be held offering racers the opportunity to practice and perfect their racing performance while gaining points to earn an alternative chance to attend the Soap Box Derby World Championships in Akron, Ohio.

The cars are constructed from spec built kits made to exact specifications for ultimate competition. The children drive their racecars down a hilly street in the Arapahoe County Fairgrounds that has been converted into a racetrack where gravity is the only source to propel the cars. This racing requires extreme skill in using the forces of gravity to their advantage. The cars may reach speeds from 20 to 30 miles per hour.

There are 3 divisions of cars. Each division of car has its own look, complexity, and is suited for different sizes and skill levels of children.

Please review the questions below and circle Yes or No to give us an idea of what needs you have in order to participate in the Soap Box Derby program. Please answer the other questions by writing your answer on the line beside the question.

- ✓ Do you have a parent or adult identified that will assist you in this program? YES or NO
