

# SOAP BOX DERBY®

Welcome to Derby Downs! The instructions and map below will help make your trip to our track a little easier.

In order to reach our facility, guests will need to enter from Springfield Lake Drive off of George Washington Blvd. At the intersection of George Washington Blvd. and Springfield Lake Drive there is a large Soap Box Derby sign in the median where you'll also find additional directional signage. Follow the arrows on the signs and they will lead you to a gravel parking lot on your right hand side.

Please park here and use the map below to make your way to our starting line pavilion.

If you have any questions please call us at 330.733.8723
