The Greater Chicago Soap Box Derby Association is able to exist through the active participation of the parents and racers. Without this volunteering this association would be severely handicapped in its ability to sponsor a racing program.

I understand that my car must pass inspection and impound before competing on race day.

I am willing and desirous that my child becomes a active participant of the GCSBDA. I will make every attempt to assist him/her in observing the rules of the association. In consideration of the benefits derived from membership, I hereby voluntarily wave any claim against the Greater Chicago Soap Box Derby Association or any member of the same for any and all causes, which may arise in connection with the activities of the association. As Parent/guardian I understand the GCSBDA is an active one for my child, which requires my participation at races, including but not limited to assisting in track setup and tear down.
