EXPECTATIONS OF EACH DRIVER & FAMILY

- ** Please maintain your pit area by placing all trash in the receptacles provided.
- ** Good Sportsmanship from ALL PARTICIPANTS (BOTH DRIVERS & FAMILY MEMBERS) is expected! It would be very unfortunate to be disqualified for un-sportsmanship like conduct. No Profanity or inappropriate statements will be tolerated
- ** Please show Respect and Courtesy to ALL VOLUNTEERS that are helping us. Many have come from other race cities & have given up this entire day to with our event!
- ** Drivers must be race ready at all times! Failure to be ready will result in forfeiture of that heat.
- ** Should you incur one loss & move to the consolation bracket of racing, & then have another loss (your second loss) you are technically finished racing. HOWEVER, be prepared to be called to "Race-Off" for placing, as this situation may occur for SOME DRIVERS. DO NOT leave the race until you have confirmed that you are finished.
