Race Format Description

The new format for the Corporate Derby Challenge will consist of eight (8), four (4) team brackets. Each team will race the other three (3) teams in their bracket one time to determine seeding for the final bracket. Once the pool racing is complete, each team will be assigned a letter that correlates with how they finished in their bracket (ex. When Bracket 1 is complete, the letter A will be assigned to 1st place, B to 2nd, C to 3rd and D to 4th. Bracket 2 will start with E assigned to 1st place and so on until everyone is assigned a letter).

Additional Races

| | |
|-------|---------|
| B - F | R - V |
| C - G | S - W |
| D - H | T - X |
| J - N | Z - DD |
| K - O | AA - EE |
| L - P | BB - FF |

Once all the places are assigned, the 1st place finishers from each bracket will be entered into a double elimination bracket. From there, the race will continue until a champion is crowned.

Every team who placed 2nd to 4th will have a chance for another race against a team with the same finish in another bracket (See "Additional Races" on the example format).
