

COVID-19 Effects on Soap Box Derby: UPDATED

The International Soap Box Derby's (ISBD) highest priority continues to be the health and safety of its racers, families, volunteers, community partners, and staff. We continue to closely monitor COVID-19 each day. The ISBD is currently planning the 83rd FirstEnergy All-American Soap Box Derby (FEAASBD) World Championship Race Week, pending pandemic restrictions.

Below you will find the most recent updates:

- There will be no minimum number of Regional Rally Races required in the 2020-2021 Race Year. The number of Rally Regional Titles that will be awarded to qualified racers will be the greater of the calculation of rule C-9.07 or the guaranteed amount listed in C-9.12.
