RULES: The 2023-2024 AASBD rules apply. AASBD helmets are mandatory. Participant must wear adequate foot protection with a continuous sole while racing. Front nose screw is required. 0 to 2 AASBD washers per spindle + wheel pin.

Race Format: *Saturday & Sunday: Double Elimination each day.*

Lane and wheel swap (2/4/2), timer differential. All cars must be weighted in and inspected prior to racing. One practice run is available for first time racers. The race director reserves the right to alter the race format as needed (e.g., to accommodate weather conditions).

Inspection: ALL cars will be inspected prior to the race. Check your car ahead of time. Any protest concerning car construction must be lodged before the first heat. No protests will be accepted after racing has begun. (exception: if someone alters the car after racing starts).

Wheels: Z-Glas. Please bring your own wheels and label them with your name. You are responsible for retrieving your wheels at the end of the day. Wheels will rotate from car to car though out the day. Wheels will be returned at the end of the race. If you need to leave early and your wheels are still in use let the race director know and arrangements will be made to retrieve them for you. No lubrication may be added after the race starts.
