Mini Car Shell Design Competitions Overview & Rules

The Mini Car Shell Design Competition is open only to schools/youth organizations who have registered their team(s) for this year's Gravity Racing Challenge STEM Team Competition at Derby Downs in Akron, OH.

Team members for each registered GRC Team may participate in the Mini Car Shell Design Competition.

There will be a Mini Car Shell Design Competition for GRC team members for each of these grade levels: ☐ 3-5 ☐ 6-8 ☐ 9-12

Judging for Best Shell Design will be based on the following:

- Shell design must include a minimum of two (2) different art elements (e.g. line, shape, texture, form, space, color, value...) to create a theme or brand.
- Theme or brand must reflect either or both of the following areas—your GRC Team and/or school/organization.
- Use any of the art supplies approved by your Coach to decorate the shell (e.g. permanent markers, glitter, paint, mailing labels with computer graphics, art sequins...
- Creativity, appearance, appeal

After judging and determining the top 3 finishers for each of the divisions, 1st through 3rd place awards will be presented following their team's GRC STEM Race at Derby Down.

Rules

- Each registered GRC team may enter one Soap Box Derby (SBD) Mini Car Shell Design per team member for a maximum of 10 Mini Cars per team.

- If this Mini Car will also be participating in the Mini Car timed & recorded runs on a Mini Car Track, its shell design must not interfere with or impede its Mini Car's timed run or negatively affect, in any way, the Mini Car track.
- Each participant may only use SBD Mini Car kits.
- Each Mini Car entered in this competition must use only the car parts supplied in the kit. No additional parts may be used.
- Each Mini Car must be assembled according to instructions.
- Coaches must register each of their Team members and upload photos of their Mini Car Shells who are participating in this competition by April 28th deadline.
